

Ideation Phase

Define the Problem Statements

Date	27 June 2026
Team ID	
Project Name	Plugging into the Future: An Exploration of Electricity Consumption Patterns
Maximum Marks	2 Marks

Customer Problem Statement Template:

Create a problem statement to understand your customer's point of view. The Customer Problem Statement template helps you focus on what matters to create experiences people will love.

A well-articulated customer problem statement allows you and your team to find the ideal solution for the challenges your customers face. Throughout the process, you'll also be able to empathize with your customers, which helps you better understand how they perceive your product or service.

I am	Describe customer with 3-4 key characteristics - <i>who are they?</i>	Describe the customer and their attributes here
I'm trying to	List their outcome or "job" the care about - <i>what are they trying to achieve?</i>	List the thing they are trying to achieve here
but	Describe what problems or barriers stand in the way - <i>what bothers them most?</i>	Describe the problems or barriers that get in the way here
because	Enter the "root cause" of why the problem or barrier exists - <i>what needs to be solved?</i>	Describe the reason the problems or barriers exist
which makes me feel	Describe the emotions from the customer's point of view - <i>how does it impact them emotionally?</i>	Describe the emotions the result from experiencing the problems or barriers

Example:

PS-1	I am	I'm trying to	But	Because	Which makes me feel
	 an Energy Planning Officer	 analyze electricity consumption trends across Indian states	 I cannot clearly identify the impact of COVID-19 and the lockdown on electricity demand	 consumption patterns changed differently across states and regions	 <u>Uncertain</u>
PS-2	I am	I'm trying to	But	Because	Which makes me feel
	 a Government Policymaker	 understand how different states recovered their electricity demand after the lockdown	 I do not have clear insights into state-wise recovery patterns	 electricity consumption and recovery rates varied significantly across regions	 <u>Concerned</u>
